

# Go on a learning journey with the...

**The SPaG VAN is simple, yet enormous resource system that helps children to learn about **VERBS**, **ADJECTIVES** and **NOUNS**! Hence the SPaG VAN.**

The SPaG VAN focuses solely on **Verbs**, **Adjectives** and **Nouns**, providing a range of different activities for each of the three words classes from Year 1 through to Year 6. Each activity type closely matches the presentation and expectations of Year 2 and Year 6 SATs papers. Meaning that while mastering what Verbs, Adjectives and Nouns are, pupils are subtly being exposed to what SATs questions look like. The activities have also been created so that pupils are required to complete them in ways they would be expected to in SATs also.

Each year group has 160 resources spread across the three areas of Verbs, Adjectives and Nouns, as well as a special Mixed VAN where verbs, adjectives and nouns are mixed together. That's 880 resources in total! Each ZIP resource contains PPT and PDFs, while also being presented in full pages, pages of 3 and pages of 6. Making it easy to teach with full screen slides and print resources ready to use.

Take a look at the year group overviews on the following pages to see what kind of resources are provided in each year group and check out the layout samples.
